APPEAL OF CITATION # P40701

Matt Bowling came to the board to appeal a citation he received for failure to leave 10 ft. roadway passable. He was parked on 3rd street in front of a customer's residence doing some work. He stated cars park along that section of roadway all the time. There was no off street parking for his work vehicle. He had done work for that customer in the past and had a neighbor complain. When the officer came out that time, she said she did not see a problem with the way he was parked. She suggested him to put cones out while he was parked there. So, he said for the rest of that job he did. He thought this violation stemmed from a neighbor complaint again. Jack Hendricks stated he travels that road almost daily. He suggested anytime he was out there parked like that he should use cones.

Anthony Gray made a motion to dismiss the citation. The motion was seconded by Jack Hendricks and the board unanimously approved.

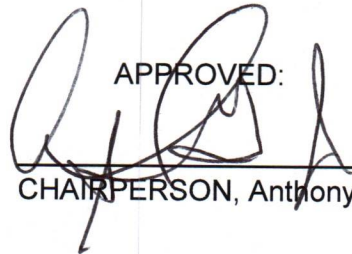

Administrative Review P41629 & P41630

Both citations were issued to Jurors called for Jury selection. They parked in the permit lot in error. Jack Hendricks as if there were anyway, we could issue warnings. Tiffany Luttrell told him there is no way to track warnings, so we don't issue them.

Anthony Gray made a motion to dismiss the citations, he don't think there was any malicious intent to break the law. The motion was seconded by Jack Hendricks and the board unanimously approved.
