Message from the Coordinator

I just wanted to take a moment to say how truly excited I am for this opportunity to serve as the Community Center Coordinator. This role means a lot to me, and I'm grateful for the chance to help create a positive, welcoming space for everyone in our community. I'm looking forward to bringing new ideas, programs, and events that will help us grow, stay together, and support one another. There is so much potential here, and I can't wait to work together to make our community center a place where people feel included, encouraged, and inspired. Thank you for all your support. I'm thrilled for what's ahead and everything we will build together.

The Arts Commission has been busy keeping creativity alive in our community! Our quilting class is currently underway, glass classes have recently begun, and participants enjoyed a hands-on woodworking class. We also continue to offer a wide variety of fun and engaging art classes for kids, helping young artists explore new skills and express their creativity. If interested in signing up for any upcoming classes, please contact Mimi Becker at arts@historicdanvilleky.com.
