

Community Cleanup from Republic Services®

Bulk is acceptable waste too large to fit into a standard residential container. Republic Services offers reliable bulk solutions to fit Danville's needs semi-annually.

October 17-21, 2022

✓ Accepted Bulk Items

Common Household Goods

Oversized items too large to fit into a standard container

Mattress sets must be wrapped in plastic

Home Appliances

Major home appliances typically found in kitchen and laundry rooms

Items must be tagged refrigerant free, when applicable

Electronics

Oversized electronic devices

Brush

Plant-based waste generated in residential settings

Items must be bundled or bagged

⊗ Unacceptable Bulk Items

We do not accept:

Oversized, hazardous or other items outside the program guidelines such as chemicals, tires or car parts.

Republic Services proudly offers this easy to understand, safe, no-cost program to help keep Danville clean.

Program Guidelines

✓ Service Schedule

Each street will receive one pass per cleanup event.

✓ Quantity

Up to 5 items per home.

✓ Weight

Each item can weigh up to 75 lbs

✓ Size

Each item must be no larger than 4 ft. x 4 ft. by 6 ft.

If out of compliance, an Oops tag with the reasoning will be left at the residents home.

Have items that fall outside the program guidelines? We also offer specialty item, seasonal and home renovation solutions for items over 50 lbs. or high quantities of items.

Visit [RepublicServices.com](https://www.RepublicServices.com) or call 859-263-2000 to learn more.

We'll handle it from here.®
