### About Danville's Curbside Recycling

- Curbside recycling is an every-other-week service.
- Please put your recycling cart at the curb for pickup on the evening before your service day.
- Only approved recycling materials will be serviced in the recycling carts; we will not dump a recycling cart as waste.
- Please note the list of materials that can and cannot be recycled with this service.
- Recycling does not need to be sorted or bagged; place all items together loose in your cart.
