# Area Solid Waste Management Plan - Five Year Update

**Years**: 2018 - 2022

## 1. BACKGROUND INFORMATION

### A. Area Designation

1. Name of County or Regional Solid Waste Management Area ("RSWMA") Boyle

Check One: ☑ County ☐ Regional Solid Waste Management Area ("RSWMA")

If area designation is a RSWMA, list counties:

2. List all incorporated cities within the solid waste management area and the population of each.

<table>
<thead>
<tr>
<th>City</th>
<th>Population</th>
</tr>
</thead>
<tbody>
<tr>
<td>Danville</td>
<td></td>
</tr>
<tr>
<td>Junction</td>
<td></td>
</tr>
<tr>
<td>Perryville</td>
<td></td>
</tr>
</tbody>
</table>

### B. Governing Body Information

1. Designation Type: ☑ Fiscal Court ☐ 109 Board (TAXING) ☐ 109 Board (Non-taxing) ☐ Regional Area ☐ City/County Merger

2. Name of chairperson of the governing body (judge executive, chairperson, etc.) Judge - Executive Harold Mckinney

3. List each member of the governing body:

<table>
<thead>
<tr>
<th>Name</th>
<th>Representing</th>
</tr>
</thead>
<tbody>
<tr>
<td>Patty Burke</td>
<td>Boyle County</td>
</tr>
<tr>
<td>Donnie Coffman</td>
<td>Boyle County</td>
</tr>
<tr>
<td>Jack Hendricks</td>
<td>Boyle County</td>
</tr>
<tr>
<td>John Caywood</td>
<td>Boyle County</td>
</tr>
<tr>
<td>Dickie Mayes</td>
<td></td>
</tr>
<tr>
<td>Phil Sammons</td>
<td>Boyle County</td>
</tr>
<tr>
<td>Essie Cooper</td>
<td>Boyle County</td>
</tr>
<tr>
<td>Gail Louis</td>
<td>Danville</td>
</tr>
<tr>
<td>Sarah Vahlkamp</td>
<td>Danville</td>
</tr>
<tr>
<td>Lloyd Bowling</td>
<td>Junction City</td>
</tr>
</tbody>
</table>

4. Address: Boyle County Courthouse 321 West Main Street, Room 111

City: Danville  
State: Kentucky  
Zip Code: 40422

5. Telephone: 859-238-1100  
6. Fax: 859-238-1108  
7. Email: hmckinney@boyleky.com

### C. Solid Waste Coordinator Information

1. Name of Coordinator: Donna Fechter

2. Address: Boyle County Courthouse 321 West Main Street, Room 111

City: Danville  
State: Kentucky  
Zip Code: 40422

3. Telephone: 859-310-4803  
4. Fax: 859-238-1108  
5. Email: dfechter@boyleky.com

6. Work Status (check one):

☑ Volunteer  ☑ Full-time  ☐ Part-time  
7. Hours worked per week: 40

### D. Advisory Committee

List the names and representative bodies of the advisory committee members.

<table>
<thead>
<tr>
<th>Name</th>
<th>Representing</th>
</tr>
</thead>
<tbody>
<tr>
<td>Patty Burke</td>
<td>Boyle County</td>
</tr>
<tr>
<td>Jack Hendricks</td>
<td>Boyle County</td>
</tr>
<tr>

</tr>
<tr>
<td>Lloyd Bowling</td>
<td>Junction City</td>
</tr>
</tbody>
</table>
7.) Ann Sleet

Perryville

**E. Preparer Information**
Complete this section, if the preparer is different than the solid waste coordinator.

1. Name: SWC

2. Address: 321 West Main Street, Room 111

City: Danville  
State: Kentucky  
Zip Code: 40422

3. Telephone: 859-319-4803  
4. Fax: 859-238-1108  
5. Email: dfechter@boyleky.com

**F. Resolution/Ordinance to Adopt Solid Waste Management Plan 5-Year Update**

1. Check one:  
☑ Resolution  
☐ Ordinance

2. Public Notice Date: June 19, 2017  
3. Date Signed:

4. The following documents must be attached. Check all that have been attached and place at the end of the report with a cover sheet labeled "Chapter 1 Attachments."

☐ A signed and dated copy of the resolution/ordinance adopting the 5-year update

☐ A dated original of the public notice, or a copy and an affidavit from the newspaper by whom the notice was originally published

☐ Area Designation
2. COLLECTION SYSTEM

A. Collection System

1. Ordinance Type (check one): ☐ Mandatory  ☑ Universal

Date passed: July 27, 1988

2a. Provide a detailed description of all the collection systems in your SWMA (collection systems include: franchise, permit, municipality owned/operated, private, staffed transfer stations and staffed convenience centers, etc.)

Boyle County Collection Systems:

1. Boyle County Fiscal Court, 5 Convenience Centers and service area: Gose Pike, Danville; Alum Springs, Junction City; Perryville, Perryville; Mitchellsburg, Mitchellsburg; Forkland, Forkland. Owned and operated by the Boyle County Fiscal Court, staffed with County Employees and serviced by Republic Services who is permitted and has a contract with the Boyle County Fiscal Court 2015 - 2025 w/ 5-year extension option. There are 11,291 Households eligible to use any Convenience Center, but 3,693 or 32.7% use them 100%.

2. City of Danville: 6,698 Households (59.3%) and have a franchise agreement with Republic Services through 2020 with up to five (5) 1-year extension on contract.

3. City of Perryville: 314 Households (2.8%) and have a franchise agreement for curbside solid waste collection with Republic Services through August 2018.

4. Boyle County: Private curbside collection with three (3) permitted haulers (McElroy’s, Republic Services, and Rumpke) with a total of 586 households (5.2%).

5. Republic Transfer Station: A private staffed permitted transfer station owned and operated by Republic Services. $ Fee

2b. Attach a signed and dated copy of the current solid waste management ordinance(s) including all related amendments. Place at the end of the report with a cover sheet labeled “Chapter 2 Attachments.”

3. Describe your annual waste hauler registration process including the annual requirement to file reports:

Boyle County Department of Solid Waste Management sends out registration and permit forms to solid waste haulers every December to be completed and submitted by February 1st of each year. All registration and permits are included in the Kentucky Division of Waste Management Annual Report due the first of March. Solid Waste Registration/Permit forms can also be obtained at boyleky.com.

B. Collection System Strengths

Describe the strengths of your collection system:

A. Door-to-Door:
   1. Convenient
   2. Reliable
   3. Inexpensive (City contracts only)
   4. Curbside Recycling (Danville and Perryville)

B. Private Collection:
   1. Convenient
   2. Reliable

C. Convenience Center
   1. 5 Staffed Centers strategically located around Boyle County
   2. Free of Charge for all Boyle County Residents
   3. Free Bulky item disposal year round
   4. Recycling drop-off year round including e-scrap and cooking oil

C. Collection System Weaknesses

Describe the weaknesses of your collection system:

A. Door-to-Door
   1. No incentive for waste reduction
   2. No incentive for recycling
   3. No community revenue generated from recyclables (Danville)
   4. No curbside yard waste collection
   5. No curbside solid waste collection in Junction City

B. Private Collection
   1. No incentive for waste reduction
   2. No incentive for recycling
   3. Extra customer cost for bulky item pick-up
   4. No curbside yard waste collection
C. Convenience Centers
1. Inadequate tracking program
2. Out of county customers
3. Rental property management and owners
4. Over filled 30-yard open top solid waste containers
5. To many 30-yard open top solid waste containers

D. Collection System Implementation Schedule

List a detailed account of specific actions or projects the governing body will complete to maintain or improve the collection system, the frequency at which such actions will take place, a date for commencement of the activities and a date at which the activities will cease. Include educational efforts.

3. DISPOSAL SYSTEM

A. Disposal System

1. Provide SWMA population and municipal solid waste disposal projections for five (5), ten (10), and twenty (20) years in the future.

|-------------------------|-------------------------|-------------------------|

2. List all contained landfills, including out-of-state landfills that will be used by your governing body during the 5-year update period. Provide capacity assurance letters demonstrating a minimum of 10 years of capacity from the landfill(s) and copies of any contractual agreements with those disposal facilities. Place at the end of the report with a cover sheet labeled “Chapter 3 Attachments.”

1.) Landfill Name: Tri K Landfill
   Permit #: 069-00004
   Address: 1905 Kentucky Hwy. 3249 P.O. Box 435
   City: Stanford
   State: Kentucky
   Zip Code: 40484

2.) Landfill Name:
   Address:
   City:
   State:
   Zip Code:
   Permit #:

3.) Landfill Name:
   Address:
   City:
   State:
   Zip Code:
   Permit #:

3. Provide a complete inventory of all disposal facilities currently operating in your SWMA. Facilities to include are: contained landfills, construction/demolition debris landfills greater than one acre, incinerators or other technologies that accept municipal solid waste and medical waste incinerators that accept medical waste from other sources. None

1.) Facility Name:
   Address:
   City:
   State:
   Zip Code:
   Ownership:
   Cost to users: ($/Ton)
   Level of compliance with state and federal laws:
   Life expectancy: Years

2.) Facility Name:
   Address:
   City:
   State:
   Zip Code:
   Ownership:
   Cost to users: ($/Ton)
   Level of compliance with state and federal laws:
   Life expectancy: Years

3.) Facility Name:
   Address:
   City:
   State:
   Zip Code:
   Ownership:
   Cost to users: ($/Ton)
   Level of compliance with state and federal laws:
   Life expectancy: Years

4. SWMA’s hosting a landfill must complete question 4. All other SWMA’s may proceed to question 5.
4a. Identify the following for each contained solid waste disposal facility hosted in your SWMA:

<table>
<thead>
<tr>
<th>Landfill:</th>
<th>Permit #:</th>
</tr>
</thead>
<tbody>
<tr>
<td>Total capacity authorized to date:</td>
<td>Tons</td>
</tr>
<tr>
<td>Amount disposed in landfill to date:</td>
<td>Tons</td>
</tr>
<tr>
<td>Remaining authorized capacity:</td>
<td>0.00 Tons</td>
</tr>
</tbody>
</table>

5. Describe any proposal(s) for new disposal facilities or expansions of existing disposal facilities (landfill, incinerators, or other approved technologies, etc.) planned during the 5-year update period:

Boyle County Solid Waste Coordinator will be working with the County judge-Executive and Engineer on the replacement of Solid Waste Compactors, as needed at all five (5) Convenience Centers (Gose Pike, Alum springs, Perryville, Mitchellsburg, and Forkland).

6. Describe the county’s emergency disaster plan to address solid waste concerns in the event of natural disasters (flooding, snow/ice storms, tornadoes, earthquakes, etc.):

- Next Page

7. Describe plans to research alternative approaches to solid waste management:

As technology expands and alternative approaches to solid waste disposal are being created and tested, Boyle County continues to look at environmentally friendly, and cost effective disposal methods for it's residents. The basic approach taken: periodic magazines, attending conferences, networking, and keeping in touch with the Kentucky Division of Waste Management Local Assistance Branch.

B. Disposal Practices Strengths.

Describe the strengths of your existing disposal practices:
1. Door-to-door solid waste pick-up in Danville and Perryville
2. Door-to-door curbside recycling in Danville, Perryville and Old Bridge Sub-division
3. Privately owned transfer station in downtown Danville - $
4. Curbside bulky item pick-up for Danville and Perryville (Spring/Fall)
5. Bulky Item drop-off at all five (5) convenience centers
6. Private curbside solid waste collection/disposal in rural area(s) - $
7. All five (5) manned conveniences centers accept recyclables, including scrap metal
8. Proof of residency, strictly enforced, at all convenience centers
9. City of Danville leaf collection (Fall)
10. City of Danville Leaf mulch give-a-way (Spring – Earth day)
11. Alum Springs convenience center accepts trees and limbs for waste-to-energy plant in Taylor County. Free public drop-off (year round)
12. Spent cooking oil recycling drop-off for residents and small businesses at Gose Pike Convenience Center (year round)
13. Textiles drop-off locations at for residents at Gose Pike and Alum springs Convenience Center.
14. Kentucky Household Hazardous Waste Grant every-other-year availability
15. Rinse and Return program and Kentucky Hazardous Materials Program (agriculture)
16. Free Dead Animal Removal Services
**C. Disposal Practices Weaknesses.**

Describe the weaknesses of your existing disposal practices:

Convenience Centers/Door-to-Door/Private:

1. No incentive for waste reduction
2. No incentive for recycling
3. Overfilled 30/40 yard containers (convenience center, business, and industry)
4. Improper tarping methods (residents and haulers)

**D. Disposal Implementation Schedule**

List a detailed account of specific actions or projects the governing body will complete to maintain or improve its disposal system, the frequency at which such actions will take place, a date for commencement of the activities, and a date at which the activities will cease. 

*Include educational efforts.*

## 4. RECYCLING AND REDUCTION

### A. Recycling/Reduction Program

1. Is recycling offered in your SWMA?  ☑ Yes  ☐ No

2. Describe your SWMA’s annual recycler registration process including the annual requirements to file reports:

   Boyle County Department of Solid Waste Management sends out registration and permit forms to recyclers every December to be completed and submitted by February 1st of each year. All registration and permits are included in the Kentucky Division of Waste Management Annual Report due the first of March. Recyclers Registration/Permit forms can also be obtained at boyleky.com.

3. Do you have a plan to reduce the need for land disposal of yard waste?  ☑ Yes  ☐ No

   If yes, describe:
   1. City of Danville leaf compost curbside service to every home, leaves are brought to State permitted land-farm.
   2. City of Danville leaf compost give-away each spring.
   3. Boyle County tree and limb (including Christmas trees) drop-off at the Alum Springs for residents and industrial wood waste from industries for the purpose of recycling through waste-to-energy. Cox Interiors out of Taylor County grinds and transports materials to their plant for fuel operation off the grid.
   4. Boyle County Convenience Centers, Cities of Danville and Perryville, and private haulers still accept yard waste at the curb for landfilling. State regulations allow for the continuing disposal of yard waste in landfills.

4. Does your SWMA collect or manage yard waste for the purpose of diverting it from a landfill?  ☑ Yes  ☐ No

5. List the counties and cities within your SWMA that collect or manage yard waste for the purpose of diverting it from the landfill?

<table>
<thead>
<tr>
<th>Danville</th>
<th>Boyle County</th>
</tr>
</thead>
</table>

6. List all permitted composting operations currently operating in your SWMA. If no composting operation exists, detail any actions your SWMA plans to take to encourage composting:

   City of Danville has a State permitted land farm. The City collects leaves at the curb in the fall. The leaves are placed in windrows, turned regularly. Leaves turned into compost (2-year process), given away, free, of charge, to the public each spring.

7. Describe your plan to reduce the need for land disposal through recycling, reuse and waste reduction (include drop off centers, curbside collection, interlocal agreements for regional alliances, etc.)

   1. Curbside recycling in Danville, Perryville, and Old Bridge sub-division.
   2. All Convenience Centers accept newspaper, paper, magazines, cardboard, glass, plastics, steel and aluminum cans, electronics, batteries, and scrap metal. Spent cooking oil (Gose Pike), Textiles (Gose Pike).
   3. All educational institutions and government buildings either by drop-off at the main facility or with pick-up of drop boxes made possible through a grant by the Kentucky Division of Waste Management.
   4. Business and Industry drop-off at main facility with appointment or through contracted service with our hauler.
   5. Document destruction days bi-yearly or by appointment for residents, educational institutions, business and industry.
   6. Recycle containers at festivals, fairs, and special events.
   7. Trees and limbs, industrial wood waste drop-off at Alum Springs Convenience Center and transported to waste-to-energy plant.
   8. City of Danville collects leaving in fall for composting at permitted land farm.
   9. Education through brochures, flyers, radio, newspaper, and website(s) – Boyle County, City of Danville and Junction City
   10. Convenience Center operators display items that of use used for residents, reducing the amount of waste landfilled. Example – toys furniture, kitchenware. It is important to note any item having made its way into a disposal container – no recovery.

8. If recycling is deemed not feasible, provide specific details supporting that decision:

   N/A
9. Describe how used motor oil, batteries, and antifreeze are handled in your SWMA:

1. Education on acceptable disposal sites in Boyle County (for all the above) through radio, newspaper, and websites – Boyle County, Danville and Junction City.
2. Grant driven Household Hazardous Waste Collection day, if approved. (Batteries and Antifreeze)

10. Describe how household hazardous waste is handled in your SWMA:

1. Every-other-year application to Household Hazardous Waste Grant
2. If grant awarded, Household Hazardous Waste Day
3. Hardening crystals for latex paint
4. Education on disposal and alternative products – radio, newspaper, website (Boyle County)

11. Are electronics/computers recycled in your SWMA? ☑ Yes ☐ No

11a. If yes, describe your electronics/computer (e-scrap) recycling program:

Residents can drop-off electronics at any of the five (5) convenience centers around the County, which in turn are brought to the main recycle facility. Business, industry and educational institutions can call for an appointment to drop-off at the main facility. Electronics are placed in gaylord boxes and picked-up by our electronics contractor when scheduled.

11b. If no, discuss any plans your governing body has to start an electronics/computer (e-scrap) recycling program:

12. Is office paper recycled in your SWMA? ☑ Yes ☐ No

12a. If yes, what businesses or agencies recycle office paper?

All government agencies and schools in Boyle County recycle office paper, many businesses also recycle office paper with the Boyle County recycle facility either through drop-off or document destruction. Some, such as Ephriam McDowell Regional Medical Center use specialized document destruction companies for recycling.

12b. If no, explain why office paper is not recycled in your SWMA:

N/A

13. What efforts has your governing body made to assist the local school boards in recycling white paper and cardboard to meet the statutory requirements in KRS 160.294? If there have been none what will the county do to assist in this endeavor? Include dates in the implementation schedule:

1. Boyle County Schools and Centre college have contracted hauler collect cardboard and dispose of it at the Boyle County Recycle Center for recycling.
2. Boyle County Schools, City of Danville Schools, Kentucky School for the Deaf, Bluegrass Community and Technical College, and Center College have drop-off trailers for paper picked-up regularly by Recycle Center staff.
B. Recycling Program Strengths

Describe the strengths of your existing recycling program:

1. Curbside Recycling in Danville, Perryville, and Old Bridge Sub-division.
2. Recycle drop-off at all five (5) convenience centers.
3. Recycling containers for all festivals, fairs, and special events.
4. Inmate Labor.
5. Partner with all government offices, educational institutions, regional hospital, and many busineses and industry
6. Business and industry drop-off
7. Committed residents in voluntary drop-off in unincorporated Boyle County
8. Scrap metal and appliance drop-off for residents and businesses
9. Local private scrap metal recycling - $
10. E-Scrap recycling
11. Spent oil recycling
12. Education – radio, newspaper, brochure, cinema, school programs, and websites (Boyle County, Danville and Junction City)

C. Recycling Program Weaknesses

Describe the weaknesses of your existing recycling program:

1. Storage space at Boyle County Recycle Center
2. Non-accepted materials in recycle containers
3. No permanent containers in downtown Danville and Perryville

D. Recycling/Reduction Implementation Schedule

List a detailed account of specific actions or projects the governing body will complete to maintain or improve its recycling/reduction system, the frequency at which such actions will take place, a date for commencement of the activities and a date at which the activities will cease. Include educational efforts.

5. OPEN DUMPS AND LITTER

A. Open Dumps and Litter

1. Describe the contents of your ordinance with respect to open dumping. Provide a copy of the section of the ordinance(s) pertaining to open dumping and place at the end of the report with a cover sheet labeled “Chapter 5 Attachments.”

Ordinance No. 830.2 Section 5.1 (Disposal in an approved site) states solid waste should be disposed of at an approved site. Section 8 (Prohibited practices) subsection 1,2,7,8 deals directly with open dumping; Section 9 Nuisance.

2 What is your process for identifying and recording open dumps?

Boyle County Solid Waste Coordinator uses State open dump and cost estimate worksheets.

3. How does the SWMA prioritize the cleanup of open dumps?

Boyle County Solid Waste Coordinator directs the cleanup of all open dumps as quickly as possible. The use of the State survey forms helps in prioritizing (if multiple sites are found) to prioritize. The dump and its contents are examined and determined to be hazardous or non-hazardous with hazardous sites taking priority no matter where the location. Non-hazardous sites prioritized by settings. Examples: Sinkholes, Floodplains, Creek/River banks with the risk of water quality being on the top of the list.

4. Describe the procedures to prevent the recurrence of open dumping at sites that have been cleaned (include surveillance efforts, pull-off barricades, etc.).

To prevent the recurrence of open dumps Boyle County Solid Waste Coordinator works with City/County and State Road Departments to install “NO Dumping” signs, when possible, close the area off to the public with either chains or fences; ask private property owners to put up signs or close areas to the public with fences or chains.

5. Describe any assistance your SWMA offers to private property owners to clean open dumps:

Boyle County Department of Solid Waste Management will assist any Boyle county resident with their open dump cleanup one time with a free 30-yard open top solid waste container located on their property through our contract with present solid waste hauler. There are ten (10) 30-yard open top solid waste containers provided by our contract per year. Volunteer programs are set-up when needed. If an open dump is reported/located and the property owner has the means to clean, transport the solid waste the Boyle County Solid Waste Coordinator will approve the owner/renter to dispose of more than one pick-up truckload per-week at any of the five (5) Convenience Center free of charge.

6. Describe your plan to control and clean up litter:

Education, Education, Education….through radio, newspaper, website, cinema, billboards, and school programs. The Boyle County Department of Solid Waste Management litter abatement plan follows up with roadside maintenance of the cities of Danville, Junction City, Perryville at least 2x per year and unincorporated Boyle County 3x per year, this includes all local, state, and federal roads, funded in-part through a grant from the Kentucky Division of Waste Management. Enforcement through Police and Sheriff's Department, when necessary. The Boyle County Department of Solid Waste Management maintains records that include, but not limited to: date, name of road/street(s), estimated amount of solid waste, estimated amount recycled, supervisor in charge, number of work force, number of hours, type of vehicle(s), miles cleaned. This information logged daily and results tallied at the end of the year and submitted to the Kentucky Division of Waste Management.

7. Describe the coordination efforts that exist within your SWMA with local, county and state law enforcement. If your county has a litter ordinance, provide a copy of the ordinance(s) or the portion of the solid waste ordinance(s) pertaining to litter and place at the end of the report with a cover sheet labeled “Chapter 5 Attachments.”

Boyle County Sherriff, Danville, Junction City, and Perryville Police Department, Kentucky Highway Patrol all work together to enforce Kentucky Regulatory Statues (KRS) on Criminal Littering.

Boyle County does not have a Litter Law, but Boyle County Solid Waste Ordinance Number 830.2 Section 8 (Prohibited practices) Subsection 1 and 2 states “it is unlawful to dispose of any garbage, refuse, rubbish, or debris, on any premises or property in Boyle County.”
### B. Open Dump Prevention Strengths

Describe the strengths of your program to clean and prevent open dumps:

1. Staff quick response and cleanup of right-of-way open dumps
2. County assistance through free disposal
3. Good working relationship with County, City and State Road Departments
4. Resident reporting
5. Ten (10) free 30-yard solid waste containers per-year from contracted solid waste hauler
6. Education and reporting information through brochures, flyers, radio, newspaper, cinema, website (boyleky.com), school programs, and 24-hour telephone number reporting (859-238-1116)

### C. Open Dump Prevention Weaknesses

Describe the weaknesses of your program to clean and prevent open dumps:

1. Cannot locate all open dumps (off road or private property)
2. Some residents still not aware of open dump assistance
3. Out of County
4. Continued waste tire dumps

### D. Open Dump Prevention Implementation Schedule

List specific actions or projects your SWMA will complete to maintain or improve its open dump abatement program. **Include educational efforts.**

### E. Litter Prevention Strengths

Describe the strengths of your program to control and clean up litter:

1. Inmate Labor, Court Appointed and Community Service
2. Pro-active State Highway Department
3. Northpoint Training Center
4. Concerned Citizens
5. Festival, Fair, Special Event Advertising
6. Cooperative Law Enforcement
7. State Litter Grant
8. Education through radio, newspaper, cinema, school programs, billboards and website (boyleky.com) and 24-hour telephone reporting (238-1116)

### F. Litter Prevention Weaknesses

Describe the weaknesses of your program to control and clean up litter:

1. No tarp or improper cover of trucks
2. Improperly filled waste containers
3. Rain, wind, and pilferage
4. Plastic bags not properly tied or torn
5. Some negligent residents (litter on property)
6. Some negligent businesses (litter on property)
7. Some negligent construction site (uncontained construction material)
8. Overfilled dumpsters
9. Free flying waste from vehicles

### D. Litter Prevention Implementation Schedule

List specific actions or projects your SWMA will complete to maintain or improve its litter abatement program. Include educational efforts.

6. FACILITY SITING

As per KRS 224.01-010, the definition for a “solid waste management facility” is any facility for the collection, storage, transportation, transfer, processing, treatment, and disposal of solid waste…” Solid waste facilities include, but are not limited to contained landfills, CD/D landfills, transfer stations, recycling centers and composting facilities.

A. Facility Siting

1. Describe your SWMA's current siting ordinance(s). Include any local planning and zoning requirements. Attach a signed and dated copy of the current siting ordinance(s) and place at the end of the report with a cover sheet labeled "Chapter 6 Attachments."

See Attached Zoning Ordinance.

2. A siting ordinance enforced at the local level helps ensure that the facility attains the standards set forth by the local solid waste governing body. Describe the process for enforcing your SWMA's siting ordinance(s):

The Zoning Ordinance section 7.2.29 is the guideline for new facilities in Danville-Boyle County. (See Attached)
Danville-Boyle County Planning and Zoning Commission provide enforcement of all guidelines.

3. Describe in detail the site approval process for your SWMA. Attach a copy of the siting procedures and place at the end of the report with a cover sheet labeled “Chapter 6 Attachments.”

New site locations require approval of a conditional use permit, it is a public hearing by the Board of Adjustments, and notification to the public is required.

4. Does the site approval process establish rules, regulations, and standards in the physical placement, expansion, or modification of a facility? If not, are there any planned modifications to address these concerns within the siting ordinance/procedures?

Guidelines for locations, Zoning, Fencing, and Setbacks adopted. See Attached

5. Does the site approval process outline the requirements for public notification in the decision-making process? If not, are there any planned modifications to address these concerns within the siting ordinance/procedures?

Public Notification of a public Hearing is required prior to the meeting as adopted in section 3.9.3.2.1 of the Zoning Ordinance. See Attached.
6. Does the site approval process include a submittal of a permit application with site specific information, ownership and financial data, approval and notification processes, and allowances for permit conditions, inspections, reporting, fees, enforcement, and penalties?

The application for a Conditional Use Permit requires a Boundary Survey, Location of Improvements, Ownership, Fees, and potential Conditions of Approval at the Board's Discretion.

B. Facility Siting Strengths

Describe the strengths of your existing siting ordinance:

1. Public Hearing and Notification Requirements.
2. Site Zoning Approval Required.
4. Ordinance adopted in both City and County.

C. Facility Siting Weaknesses

Describe the weaknesses of your existing siting ordinance:

1. Zoning Ordinance does not specify Materials for Construction of Buildings or Fences.
2. Process of Enforcement strengthened if additional agencies assisted.
## D. Facility Siting Implementation Schedule

List specific actions or projects the SWMA will complete to maintain or improve its facility siting system, the frequency at which such actions will take place, a date for commencement of the activities and a date at which the activities will cease. **Include educational efforts.**

<table>
<thead>
<tr>
<th>Specific Actions</th>

<tr>
<td>5.) Continue to inspect all approved solid waste facilities, while under construction.</td>
<td>As Needed</td>
<td>January 2018</td>
<td>December 2022</td>
</tr>
<tr>
<td>6.) Board of Adjustments and Planning and Zoning will continue to follow Zoning Ordinance when siting solid waste facilities.</td>
<td>As Needed</td>
<td>January 2018</td>
<td>December 2022</td>
</tr>
</tbody>
</table>
### 7. ENFORCEMENT

**A. Enforcement Program**

1. Describe your enforcement procedures and penalties for non-participation in your approved solid waste collection system. Attach a copy of the section of the ordinance(s) or procedures pertaining to non-participation and place at the end of the report with a cover sheet labeled "Chapter 7 Attachments."

Non-participation in mandatory (Danville/Perryville) or Convenience Centers (Boyle County/Junction City) is a violation when trash and solid waste is not disposed of, or contained, in the proper manner, defined by ordinance. The Solid Waste Coordinator, Danville Codes Enforcement, Junction City Police, and Perryville police will first give a verbal or written warning. If a verbal and written warning does not work, a citation written (Danville, Junction City, and Perryville). If a verbal and written warning does not work in unincorporated Boyle County, the Solid Waste Coordinator will bring the information to the County Attorney for court action. If convicted the Judge will then make a determination within the guidelines of State and local law (community service, fine, incarceration, or combination thereof).

2. Describe all surveillance/enforcement activities used by your SWMA to prevent litter and illegal dumping; for example, neighborhood watches, hidden cameras, etc. Attach copies of citation forms and letters to violators and place at the end of the report with a cover sheet labeled "Chapter 7 Attachments."

**Surveillance** - All residents are encouraged to report any open dumping, litter activities, and improper storage or solid waste container violations to the Boyle County Department of Solid Waste Management, Danville Codes Enforcement, Perryville, or Junction City Police Department. Boyle County Department of Solid Waste Management has surveillance cameras at the Alum Springs and Perryville Convenience Centers to capture illegal dumping at gates.

**Enforcement** –

a.) Open dumps are investigated by the Boyle County Solid Waste Coordinator and a search for the responsible person(s), business, group, organization is conducted. If responsible party is located, a clean-up schedule Is set with completion date. If cleanup is not completed, and no extension has been granted, a report sent to the County Attorney for court action. If convicted, the Judge will then make a determination within the guidelines of State and local law (community service, fine, incarceration, or combination thereof).

b.) Education is the only way to prevent and control Litter. However, if State and local law enforcement witnesses’ improper disposal of waste (litter) the person(s) a citation is given. If convicted the Judge will then make a determination within the guidelines of State and local law (community service, fine, incarceration, or combination thereof).

3a. Do you use an administrative court for solid waste issues?  

<table>
<thead>
<tr>
<th>Yes</th>
<th>No</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>X</td>
</tr>
</tbody>
</table>

3b. If "yes" to question 3a, above, provide the date the court became effective:

N/A

4. Describe the operative procedures of the administrative court for solid waste issues. Attach a copy of the relevant documents or codes that relate to the administrative court and place at the end of the report with a cover sheet labeled "Chapter 7 Attachments."

N/A

5. If your SWMA does not have an administrative court for solid waste issues, do you plan to initiate an administrative court during this plan period?  

<table>
<thead>
<tr>
<th>Yes</th>
<th>No</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>X</td>
</tr>
</tbody>
</table>

If yes, provide dates in the implementation schedule:
6. Describe any proposed modifications to your open dumping and littering procedures/ordinances. Provide dates in the implementation schedule:

At this time no modifications, or change in procedures, and/or ordinance to open dumping and/or littering is expected. However, the Boyle County Solid Waste Coordinator and County Attorney will continue to view solid waste ordinances to update as needed. Modifications, if needed, Boyle County Judge Executive will place on the agenda for consideration by the Boyle County Fiscal Court.

7. Describe enforcement actions or procedures taken by the SWMA if identifying information (i.e. names, addresses, etc.) is found in litter or an illegal dump:

When a name or other form of identification is located in an open dump given to the Solid Waste Coordinator. The Coordinator tries to find responsible party. If no one found a crew sent to clean-up the site. If responsible party is located, a clean-up schedule is set with completion date. If cleanup not completed within said date and no extension granted a report sent to the County Attorney for court action. If convicted, the Judge will then make a determination within State and local guidelines (community service, incarceration, fine or combination).
### B. Enforcement Procedures Strengths

Describe the strengths of your existing enforcement procedures regarding litter and illegal dump prevention and non-participation in your approved collection system:

1. Cooperation between the Solid Waste Coordinator, State/Local law Enforcement, and the Kentucky Energy and Environmental Cabinet.
2. Cooperation between the Solid Waste Coordinator, Kentucky division of Waste Management, Enforcement Branch (Columbia Office).
3. Cooperation between Solid Waste Coordinator, Boyle County Residents, and local Law Enforcement.
4. Cooperation between the Solid Waste Coordinator, Kentucky Fish and Wildlife, and Kentucky Civil Air Patrol.
5. Investigation and follow-up of information gathered at open dump sites by Solid Waste Coordinator.

### C. Enforcement Procedures Weaknesses

Describe the weaknesses of your existing enforcement procedures regarding litter and illegal dump prevention and non-participation in your approved collection system:

None

### D. Enforcement Implementation Schedule

List a detailed account of specific actions or projects the county will complete to maintain or improve its Enforcement System, the frequency at which such actions will take place, a date for commencement of the activities, and a date at which the activities will cease. Include educational efforts.
