APPEAL OF CITATION # P35962

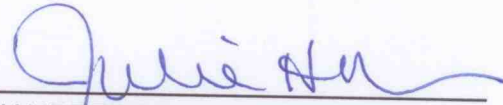

Josette Vettel came before the board appealing a parking ticket for parking on the sidewalk. Ms. Vettel gave the board paperwork and explained she has colon cancer and she has to park close to the house or sometimes she doesn't make it in the house in time. And there is no curb there between the street and sidewalk. Julie Nelson stated maybe she could talk to the City Engineers Office about possibly putting a curb in so she doesn't get on the sidewalk but if she did that would make her vehicle out further toward the traffic lanes. But Mrs. Nelson explained the only thing the board can do is make a rendering on the parking ticket she received. They advised her they sympathize with her situation, but she can't be parking on the sidewalk. She needs to come up with another parking solution.

Julie Nelson made a motion to dismiss the citation due to her situation but told her they would not dismiss anymore. The motion was seconded by Allen Knight and the board unanimously approved.

ADJOURN:

Julie Nelson made a motion to adjourn the time being 9:45 a.m. The motion was seconded by Allen Knight and the board unanimously approved.
