

Cemetery Committee Minutes July 10, 18

The meeting was called to order by Chairwoman Gail Louis. Members present were Emma Shannon, Ruth Ryan, Harry McGhee, Jason Turner, Gail Louis, Lauren Newman and Mayor Mike Perros.

Gail told Mayor Perros and the committee that we were pleased about the cemetery budget for the 18-19 year. The committee would like to have a shelter built in both cemeteries.

Mayor Perros suggested we ask Mr. Penn from Lexington Cemetery to come down and give suggestions on sites for the shelters in each cemetery. Also with extra money in the budget grave cleaning supplies and extra trees could be planted. The committee was given changes in fees recommend for 2018-19.

Jason discussed people using drugs at Willdale and leaving needles. It is hoped that the gates will be locked.

2 new trash cans have been added to both cemeteries.

Mayor Perros agreed to add Tom Byrby to our committee.

Meeting adjourned. Next meeting Sept. 11
