

Danville Beautification Committee Minutes for November 5, 2018

Present: Susan Ferguson, Janet Nash, Lauren Newman, Jennifer Kirchner, Janet Hamner, Alexis Amorese, Jeffrey Baird, Steve Hunter, Earl Coffey, Rick Henry, Margaret Levi, Mayor Perros

The meeting was called to order at 4:04 by Janet Nash

The minutes were reviewed and passed

Update on Water Park: The splash pad will be installed in the Spring. The weather is the limiting factor. There will be signage for the park concerning water systems.

Maintenance Contract: this will be advertised in November

Flower Subcommittee: Flowers are set for next year. The tree planting grant will be used on 2168 and Lexington Ave. We need the city to expand the mowing contract to help keep those trees maintained and create a riparian buffer.

Tree Subcommittee: November is designated as tree month and there will a tree planting November 15

Old Business: the city manager met with Republic about the trash removal contract, trash bins and recycle bins.

New Business: We would like to invite a representative from the Creeks and Trails group. Many Beautification issues are code enforcement issues. Earl will report back. We would like to welcome Rick Henry to the committee
